EDUCATION

Schooling

Happy Valley School
2016

College

Techno Mission International School
2016-2018

Degree

AMC Engineering College
2019-2023

TECHNICAL SKILLS

Languages: Python

Web: HTML, CSS

Databases: MySQL

Cloud & Tools: AWS, Git, GitHub

Linux : Ubuntu

Devops : CI/CD , Docker (Basics) ,
Version Control

SOFT SKILLS

- Team Collaboration
- Problem-solving
- Communication
- Adaptability & Quick Learning
- Time Management

RAVI KAMAL

FRESHER

PROFILE

Recent graduate in Information Science and Engineering with certifications in AWS and Python. Possess hands-on internship experience in Azure cloud services and web development, along with knowledge of Linux, MySQL, Git, and basic DevOps practices. Reliable candidate ready to take on challenges in any position, with task prioritization skills to help the team succeed. Looking to start a career as an entry-level professional with a reputed company.

PROJECTS

- **Portfolio Website** Designed and developed a personal portfolio generator for students and colleges.
- Built the frontend using HTML, CSS, and JavaScript, integrated with MySQL for data storage.
- Delivered a responsive design and coordinated with team members to ensure smooth deployment.
- Collaborated with team members for smooth integration and deployment, meeting internship deadlines.
- **Cloud Deployment on AWS (Self-Learning Project)**
- Created and deployed a sample web application on AWS EC2 instance .
- Configured S3 bucket for file storage and managed permissions using IAM roles.
- Implemented basic monitoring and performance tracking using AWS CloudWatch metrics.
- Learned practical cloud deployment steps including instance setup, security group configuration, and role assignment.

INTERNSHIPS

- **Azure Cloud Intern – Verzeo Edutech**
- Worked with Microsoft Azure portal to understand cloud resources, virtual machines, and storage accounts.
- Deployed a sample application on Azure App Service and integrated Azure Blob Storage for file handling.
- Explored virtual networks, resource monitoring, and cost estimation features in Azure.
- **Web Development – Tequed Lab**
- Led a team project to develop a personal portfolio generator for students and colleges.
- Designed and built the frontend using HTML, CSS, JavaScript, and connected it to a MySQL database.
- Delivered a responsive, user-friendly interface and ensured smooth integration between frontend and backend.

CERTIFICATIONS

- **AWS Certified Cloud Practitioner certification** (Amazon)
- **AWS Certified Cloud Practitioner** (Udemy)
- **AWS course** (Scaler)
- **Python Programming** (Udemy)
- **JavaScript** (Udemy)
